

# Center for SDG Global Education USA

---

*Educating for the 2030 Development*

There is no more powerful transformative force than **education**—to promote human rights and dignity, to **eradicate poverty** and **deepen sustainability**, to build a better future for all, founded on equal rights and social justice, respect for cultural diversity, and international solidarity and shared responsibility, all of which are fundamental aspects of our common humanity."—Irina Bokova, former Director-General of UNESCO

**Mission Statement:**

We connect with community educators committed to a call to action within education to meet the Sustainable Development Goals in community classrooms

We are committed to available and accessible resources, lessons plans, and community projects directly aligned to the Sustainable Development Goals.

We commit to contribute to the work of the United Nations in relation to education through research, advocacy and outreach to inform education stakeholders, educators, students, parents, and community members. About the quality and inclusive education for lifelong learning from community to global classrooms.

**Vision**

Center for SDG Global Education USA vision is to provide education and training on the work of the United Nations to the grassroots and community stakeholders, create shared interest relationship with institutions, governments, international and intergovernmental organizations, civil society and the private sector. Secondly, educate on policies for education, science, culture in relation to prevailing concerns on inclusive education, Life-long Learning, students, youth and children. Center for Global Education USA will carry out research and publication on education, culture, science issues and strategies for improvement of quality and inclusive education for lifelong learning.

**Mission:**

Center for SDG Global Education USA mission is to promote understanding of the United Nations and the 2030 Development Agenda and to translate them into programs that will help educate today for tomorrow.

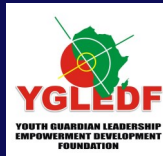

Center for SDG Global Education USA will strive to strengthen activities for development cooperation, Sustainable Development Goals, Education First Initiatives of UN Secretary General, Mr. Ban Ki Moon, Education Policy while educating to the Development Agenda.

Center for SDG Global Education USA will establish mutual cooperation and cross cultural exchange education with education stakeholders the work of the global agenda and will work towards providing education services to create school friendly environment for learning and education development.
